1	Dutia.	Baroni.	1659	The head of the family having descended from the Mahrāja and joined him in his battles.	Hereditary.	Mahrāja Bhagwān Rao, the founder of the State.	Pirbharā.	[1.] Diwān Daryao Singh with the following members of his family.	21550	9670	Rs. 15,750	Exempt from Tanka or tribute, being kinsmen.	Mahrāja Bhagwān Rao had four sons, two of whom named Dhurmangad and Sakat Singh were given the Palera Jāgir by their grandfather Mahrāja Birsinghdev. From the state won by his arms Bhagwān Rao gave Baroni to his second son Prithwī in Jāgir. In the latter's descendant there are now 12 <i>Ilwadārs</i> (partners) of whom there are four Diwāns including Diwān Daryao Singh. The rest are addressed as Knars, all of these are well-up in Hindi and military tactics. Diwān Daryao Singh was born in 1836 and succeeded his father in 1868. The title of Diwān with a <i>Khilat</i> is given by the Mahrāja Dutia to the head of this family according to ancient customs. Daryao Singh's eldest son Mardan Singh having died at the age of 31, his son Kuar Jangjit who was born in 1882 was granted the title of Diwān for the Jāgir Baroni. Daryao Singh has a second son named Dev Singh who was born in 1886 A. D. On their petitioning the Mahrāja about the same, members of this family are given Jāgirs and cash allowances in addition to their shares all of which are however liable to be resumed on their committing any offence or disobeying Durbār's orders.

NOTE.—The other nobles of the State receive *jāgirs*, titles and cash allowances in lieu of their services but as these are subject to dismissals, reductions and promotions their addition in this statement has not been considered necessary, for their *jāgirs* or cash payment are given according to qualifications for lifetime and only as long as they serve the State. They are not therefore hereditary *jāgirdars*.
